THE MINISTER OF STATE IN THE MINISTRY OF FINANCE AND THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS (DR. ABRAR AHMED) : (a) to (c) Exim Bank Indian Banks have outstanding loans to the tune of about Rs. 800 crores extended to Indian construction companies who have executed projects in Iraq and which are covered under Indo-Iraq Government to Government deferred payment arrangements. The Indian banks involved in the contracts are State Bank of India, Bank of India, Bank of Baroda, Syndicate Bank & Canara Bank.

(d) The above loans were being serviced through imports of Crude Oil from Iraq under Deferred Payment Arrangements Agreement (DPAS) between Government of India & Government of Iraq. However, with the onset of the Gulf Crisis and imposition of the UN trade embargo, import of crude Oil could not be effected and no payments have, therefore, been realised under DPAS, since August, 1990. Government took up the matter with the UN Security Council Committee about the possibility of Iraq providing Oil to India in lieu of money owned to Indian construction companies in January, 1991. However, the response of the UN Security Council Committee was not favourable. Arrangements for realisation of further payments from Iraq can, therefore, be worked out only after the lifting of UN trade embargo on Iraq.

(e) The Iraqui overdues have created a temporary liquidity problem both for the project exporters as also the commercial banks.
